

Every day, we work to build a diverse community of committed, thriving employees proud to work at Citi.

What progress will you make?

BCMA INVESTMENT BANKING CHICAGO APPRENTICESHIP 2023

City Colleges of Chicago and Citigroup Investment Banking Chicago office have partnered to create an apprenticeship Program for CCC students. This paid apprenticeship will run between June 2023 and April 2024. Students will have an opportunity through this apprenticeship to work along side Investment bankers from one of the leading banks on Wall Street. This unique opportunity will provide a skill-set transferable across multiple businesses as you start to prep for your future career!

Who is Citi and What is Investment Banking?

- One of the largest financial institutions globally
- Investment bankers advise corporations on mergers & acquisitions, and facilitate equity and debt capital raising
- Citi has the premier investment banking office in Chicago with 40+ bankers serving clients in a variety of sectors including: Industrials, Automotive, Business Services, Metals & Mining, Consumer and Healthcare

Who is Eligible?

- High achieving, underrepresented minority students in their second year at CCC
- Students interested in a career in finance
- Students intending to matriculate at a four-year institution following graduation from CCC

Why apply?

- Paid apprenticeship: ~20 hours per week between June 2023 and April 2024
- Potential for scholarships of \$15,000 towards tuition at four-year college / university
- Potential to convert apprenticeship into full-time investment banking career following graduation from four-year college or university
