

Paid Internship Opportunity!

Alpha Baking is looking for dedicated individuals to work Maintenance Intern positions at our production facility in Chicago.

The Maintenance Mechanic Intern will work closely with our skilled maintenance team to gain practical knowledge and skills in maintaining, troubleshooting, and repairing the mechanical systems and equipment that power our bakery production. This internship is a unique opportunity for individuals pursuing a career in maintenance mechanics to apply classroom learning in a real-world bakery setting.

Qualifications:

1. Currently enrolled in a relevant technical program or degree in maintenance mechanics, mechanical engineering, or a related field.
2. Strong mechanical aptitude and a passion for hands-on work, with an interest in the food production industry.
3. Basic understanding of mechanical systems and tools.
4. Excellent problem-solving and analytical skills.
5. Effective communication and teamwork abilities.
6. Ability to follow safety guidelines and work in a dynamic bakery environment.
7. Eagerness to learn and a proactive approach to tasks.

Duration and Schedule: This is a [5]-month internship with the possibility of extension based on performance. The intern is expected to work [number of hours] per week, with flexibility to accommodate class schedules.

Compensation: This is a paid Non-Union internship, and compensation will be discussed during the interview process.

Deadline to apply – January 12, 2024
