

CNA Insurance-Security Awareness Education Apprenticeship

About CNA Insurance

For more than 125 years, the University of Chicago has forged its own path. This has led to new schools of thought and a transformative education for students, and laid the groundwork for breakthroughs across the sciences, medicine, economics, law, business, history, culture, the arts, and humanistic inquiry.

Responsibilities:

- **Works** with the Information Security Awareness and Communications team to deliver program communications and training activities.
- **Creates** news briefs and other content for Information Security intranet pages, newsletters, presentations, and reports.
- **Develops** data reports summarizing quarterly results against goals.
- **Helps** to coordinate upcoming local and global activities.
