EARN & LEARN: APPLY NOW TO OUR CAREER APPRENTICESHIP PROGRAM

The Career Apprenticeship Program is an exciting new partnership with the Greater Chicago Food Depository. The Program is an engaging, paid, 12-month apprenticeship that develops career skills, provides mentorship, and connects participants with potential employers. All while making a difference in your community by working to end hunger.

Meaningful Work Experience

Gain real-world experience where you apply what you learned in the classroom, collaborate with teams, and contribute to key decisions

Flexible Schedule

Choose a schedule that works best for you and fits around your classes and commitments

Competitive Wages

Earn \$21/hour while working 20-25 hours/week, with opportunities to work extra hours during school breaks

Professional Development

Attend training sessions or workshops designed to grow and develop skills that are essential for long-term career success

Support & Mentorship

Receive guidance from mentors who support your personal and professional growth

Networking Opportunities

Meet and interact with professionals in the field while building meaningful connections for future career advancement
