

**JOIN MOONSHOT**

# BE PART OF CHICAGO'S TECH ECONOMY

Moonshot is an innovative new approach to apprenticeships which can help jobseekers begin or advance their career in tech.

Participants can:

- **Build skills through an affordable associate degree program in tech at City Colleges**
- **Receive career-focused support to prepare for job success**
- **Get connected to a paid apprenticeship with a leading tech employer, so you can earn a paycheck while you learn in the field**

## **Earn and Learn**

City Colleges of Chicago offers apprenticeships and internships in many fields, not just tech.
